Colonel William H. Eaton, Retd.

Dear Colonel Eaton:

Thank you for your thoughtfulness in sending General Van Daman's article covering his experiences as an Intelligence Officer at the Peace Conference, 1918-1919. Both my deputy and I found the article most interesting and it will be made available to other staff officers, who, I am sure, will find it of equal interest.

Your congratulations and very kind comments are very much appreciated.

With best personal regards to you and Mrs. Eaton,

Sincerely,

*Walter B. Smith*
